bells throwing herself into the arms of her friend or fear the anger of the Duke of The Duke of Arcol is in his fortress, and and in made, senore. Masantelle is between as both and the anger of the viceroy cannot much me here.

'I will do so willingly. Monsignore the Duke of Arcos has only to send me 60,000 ducats and you will be free. Sixty thousand ducats for such preity girls! Why, it is nothing!"

"Have you informed the Duke of Arcos of my captivity!" saked Inabella.

"No, senora, but I have written to Massimello, who will not leave you with us long Comole yourselves, in three days you will have quitted us."

"Three days more in this heil!" said fambella bursting into tears.

"Three days note in this heal? said ten-bells bursting into tears.

"During this time you will be the object of the most delicate attention and uncessing care, and all your wishes will be completed with You mustn't ask for French wines or rousted pheasants, but anything from kirsch wasser to olla podrida is at your service."

'Let us go in, Jeanno,' said Jashelia, with discust.

On leaving the tavern of Il Cappucine, who had given them with a sigh, a large flask of wire, Courad and his companion gained the road leading to Nole, and soon entered a rugged winding way, of which each side was covered with vines. Little by little all vegetation disappeared, and they at last found themselves in the indict of mountains.
